Eagle-I Gate Operators for Slide Gates up to 16 ft. and 300 lbs

Safe and secure gate operation is made quick and easy with pad-mount gate operators from Eagle. Enjoy quality and reliability with the Eagle-I Slide Gate Operator.

Manufactured with the same quality and engineering as larger commercial and industrial gate operators, many of the advance features you most often need come standard.

Like every Eagle operator, the Eagle-I is built with heavy-duty AC motors, quiet gearboxes and quality components throughout. Install Eagle and install confidence.
